FOR IMMEDIATE RELEASE:

Investment House to participate in Web Summit – Qatar 2025 to explore future investment opportunities

17th of February 2025, Doha – Qatar: Investment House (IH), a regulated investment institution by Qatar Central Bank, specializing in wealth, asset management, and investment banking, is set to make a presence at Web Summit Qatar 2025. During the Summit, we seek to network with leaders in the industry, and search for future investment opportunities.

Speaking about Investment House's participation, Chairman Mohammed Al-Suwaidi stated:

"Our presence at Web Summit Qatar 2025 reflects our commitment to investment innovation and long-term value creation. Qatar is rapidly emerging as a global hub for business and technology, and we are eager to

connect with industry pioneers, investors, and entrepreneurs who share our vision for a dynamic and forward-thinking investment landscape."

Investment House's team will be on-site at the Doha Exhibition and Convention Center (DECC) to engage with industry-leaders, potential clients, and stakeholders. Investment House's focus will be on discussing new investment opportunities, sharing insights into wealth management trends, and exploring the intersection of investment and technology.

Jihed Mehdoui, CEO of Investment House, emphasized the company's role in driving investment progress:

"Technology and investment are more interconnected than ever, and Web Summit provides the perfect platform to explore how digital transformation can enhance investment strategies. At Investment House, we have a dynamic approach of adapting innovation to create long-term value for our clients."

Investment House invites Web Summit attendees to visit its booth (**E516**), to learn more about its services and explore potential collaborations. For more information, visit www.invhouse.com or contact Ms. Dalal Aljafari at dalal@invhouse.com
