

Paribu Joins Web Summit Qatar 2025 as Key Partner to Shape the Future of Digital Finance

Leading Turkish crypto exchange to engage with global tech leaders at premier innovation event in Doha

[FEBRUARY 12, 2024] - [Paribu](#), Türkiye's leading cryptocurrency exchange and technology company, is happy to announce its partnership and participation in Web Summit Qatar 2025, set to take place at the Doha Exhibition and Convention Center (DECC) at the end of this month. The highly anticipated event will bring together global leaders in technology, finance, and digital innovation to explore the future of industries worldwide.

As a partner of Web Summit Qatar, Paribu will be deeply engaged in discussions surrounding blockchain, digital assets, and the future of finance. With thousands of industry professionals, investors, and innovators in attendance, the event provides a powerful platform for networking and collaboration across sectors.

Paribu's founder and CEO, Yasin Oral, will take the stage for a thought-provoking panel discussion titled "Is Paper Money Becoming Extinct?". This session will examine the ongoing shift from traditional cash to digital alternatives, discussing the rise of digital wallets, cryptocurrencies, and central bank digital currencies (CBDCs).

Engage with Paribu at Web Summit Qatar

Attendees will have the opportunity to visit Paribu's booth to connect with its team, explore its latest innovations, and gain insights into its contributions to the blockchain space. The company will highlight advancements in secure digital asset management through [Paribu Custody](#) and introduce [Paribu Self](#), a next-generation crypto wallet designed for seamless asset management.

As Web Summit Qatar fosters global discussions on the future of finance and technology, Paribu remains committed to driving the evolution of digital assets and blockchain adoption. Attendees are encouraged to visit Paribu's booth, engage with its experts, and join the conversation shaping the future of money and digital finance.

About Paribu

Founded in 2017, Paribu is the pioneer technology company and the leading cryptocurrency exchange platform.
