

## **MBK Holding Group LLC Acquires Majority Stake in digital enterprises LLC, Expanding Digitalisation and Transformation Capabilities in the Energy and Supply Chain Sectors**

*For Release at Doha Web Summit – 23 February 2025, Doha, Qatar*

MBK Holding Group LLC has acquired a majority stake in digital enterprises LLC, a pioneering digital transformation company specialising in human-centred digitalisation for energy and supply chain operations. This acquisition enhances MBK Holding's portfolio by integrating world-class expertise in AI-driven transformation, blockchain, IoT, and digital identity solutions, complementing its existing technological capabilities and sector-wide reach.

Digital Enterprises LLC was founded in Qatar in 2024 and operates in the United Kingdom and Pakistan. The company focuses on deploying human-centred digital technologies to help organisations achieve radical improvements in operational efficiency. Its core expertise includes AI and agentification, robotic process automation (RPA), blockchain and digital passports, augmented and virtual reality (AR/VR), and IoT, all tailored for complex operations and value chains in the energy and supply chain industries.

Sheikh Mansoor bin Khalifa Al Thani, Chairman of MBK Holding, commented: *"The acquisition of Digital Enterprises aligns perfectly with our mission to drive digital transformation for human progress. Their innovative approach to applying advanced digital technologies in critical industries will not only strengthen our portfolio but also bring significant value to the businesses and economies we support."*

MBK Holding is a global venture builder headquartered in Qatar, with operations across multiple countries. The group invests in and operates technology-driven companies that deliver transformation across industries, focusing on digital innovation for sustainable growth and human progress.

With this strategic acquisition, Digital Enterprises will leverage MBK Holding's resources and extensive market reach to scale its solutions, delivering transformative impact across industries.
