

## **Ebdaa Digital Technology Makes a Remarkable Impact on Digital Technology**

*Doha, February 17, 2025 –*

Ebdaa Digital Technology, a dedicated player in digital innovation, is excited to participate in Web Summit Qatar 2025. Through its key projects, including Mzad Qatar and Syaanh.com, it continues to contribute to the growth of digital services, improving accessibility and efficiency in e-commerce and service sectors across Qatar.

Mzad Qatar, as part of Ebdaa Digital Technology, has attracted over 1.75 million users, establishing itself as a dynamic and adaptable marketplace. Its scalable platform facilitates seamless transactions while creating opportunities for strategic investments and partnerships, setting it apart with a unique positioning in the region. With a wide range of categories, from heavy equipment to electronics, Mzad Qatar continues to evolve, offering innovative solutions that drive engagement and long-term growth.

Ebdaa Digital Technology plays a significant role in developing the digital marketplace, demonstrating how Mzad Qatar and Syaanh.com provide comprehensive solutions that enhance market efficiency and accessibility. Mzad Qatar, with an expanding community of users, has become a key player in fostering business growth, partnerships and investment opportunities, offering a smooth and efficient digital trading experience.

Syaanh.com complements this by delivering an integrated home maintenance and repair solution, ensuring customers have access to all essential services in one app. Together, these platforms reflect Ebdaa Digital Technology's commitment to innovation, convenience, and enhancing the overall digital experience for businesses and consumers alike.

“As we participate in Web Summit Qatar 2025, we reaffirm our commitment to leveraging digital technology to create integrated, efficient, and transparent online marketplaces,” said Mohamed Abdel Fatah CEO of Mzad Qatar. “Our work with Ebdaa Digital Technology ensures that both consumers and businesses have access to unparalleled digital solutions that enhance operations, drive growth and open new partnerships.

As part of Ebdaa Digital Technology, Mzad Qatar and Syaanh.com are shaping the future of digital marketplaces by introducing advanced technological solutions that enhance efficiency, user engagement, and accessibility. These platforms optimize business transactions, service accessibility, and operational efficiency, creating a robust digital ecosystem that fosters investment, partnerships, and user engagement. Through intelligent e-commerce solutions and a fully integrated service platform, Ebdaa Digital Technology continues to redefine digital interactions, driving sustainable innovation and connectivity across industries.

### **About Ebdaa Digital Technology**

Ebdaa Digital Technology is a dedicated technology company contributing to the growth of digital solutions through e-commerce, online service platforms, and marketplace innovations.

With a strong emphasis on efficiency, accessibility, and user-focused advancements, Ebdaa Digital Technology continues to refine and expand its role in the evolving digital landscape.
