Throughout the Summit, participating startups will benefit from exhibition opportunities, curated networking with investors and corporate partners, a pitch competition, access to global technology leaders, tailored matchmaking through the Web Summit platform, and participation in expert led masterclasses and focused mentorship sessions. The delegation will also gain international market exposure and visibility at one of the world's leading technology conferences.

As part of the global Web Summit series, Web Summit Qatar brings together thousands of startups, investors, policymakers, and technology leaders from around the world. The event serves as a premier platform for showcasing innovation, forging partnerships, and shaping conversations around emerging technologies across industries.

To be announced at Web Summit Qatar, AmCham MENA is also exploring strategic partnerships with key Qatari stakeholders, with the aim of identifying collaboration opportunities that further support innovation, entrepreneurship, and private sector engagement.

## Leadership Quotes

“Web Summit Qatar provides an important platform for connecting the region’s most promising startups with global investors, technology leaders, and decision-makers. Through AmCham MENA’s collective leadership, we are reinforcing the power of cross-border collaboration and private sector engagement to accelerate innovation, unlock opportunity, and position MENA startups for international growth. AmCham Dubai is proud to support this delegation as part of our broader commitment to strengthening entrepreneurial ecosystems across the region.” said **Ms. Cara Nazari**, CEO, AmCham Dubai.

“Our participation in Web Summit Qatar reflects AmCham Egypt’s commitment to empowering Egyptian startups with global exposure and meaningful growth opportunities. By connecting them with international investors, industry leaders, and policymakers, we are helping our entrepreneurs scale beyond borders and position Egypt as a competitive hub for innovation and technology.” said **Ms. Sylvia Menassa**, CEO, AmCham Egypt.

“Representing the American Chamber of Commerce (AmCham) that is in Qatar makes our participation extremely meaningful. It is in direct alignment with our mission of facilitating bilateral trade, commerce, and investment between the United States and Qatar. With a delegation of startups and investors from the U.S. coming under AmCham MENA’s Web Summit partnership, we are creating avenues of expansion for U.S. business and investment abroad. Our strategic relationships with Qatar ecosystem stakeholders are a high-value add for our delegates.” said **Ms. Xiomara Henriquez**, Executive Director, AmCham Qatar.

## About the AmCham MENA Regional Council

The AmCham MENA Council is a regional alliance of American Chambers of Commerce across the Middle East and North Africa, established to strengthen collaboration and serve as a unified voice for the U.S. business community and the regional private sector in the region. The Council comprises the AmChams of Abu Dhabi-UAE, Dubai-UAE, Bahrain, Egypt, Jordan, Kuwait, Lebanon, Oman, Palestine, Qatar and Tunisia.

AmCham Dubai is the current Chair of the Council, and AmCham Qatar is the current Co-Chair. The Council’s Secretariat resides at AmCham Egypt. The Council works on promoting trade and investment between the United States and MENA countries, advocates for pro-business policies, and fosters sustainable private-sector growth. Through joint initiatives, conferences, and trade missions, the Council enhances regional integration and amplifies advocacy efforts.
